## PRESS RELEASE

---

### **GAM to move London offices to the City**

GAM today announced that it has entered into lease agreements to move its London offices to 8 Finsbury Circus.

GAM will consolidate its three offices in the St James's district, where it has been based since 1983, into one building in the City of London.

All London-based staff are expected to move into the 42,000 square foot office space in the first quarter of 2019.

**Group CEO Alexander S. Friedman said:** "I am pleased that we have found a world class building to bring all of our London-based teams together, promoting greater communication and collaboration in a modern working environment. This move will also further improve the efficiency of our London operations."

**Disclaimer regarding forward-looking statements**

This press release by GAM Holding AG ('the Company') includes forward-looking statements that reflect the Company's intentions, beliefs or current expectations and projections about the Company's future results of operations, financial condition, liquidity, performance, prospects, strategies, opportunities and the industry in which it operates. Forward-looking statements involve all matters that are not historical facts. The Company has tried to identify those forward-looking statements by using words such as 'may', 'will', 'would', 'should', 'expect', 'intend', 'estimate', 'anticipate', 'project', 'believe', 'seek', 'plan', 'predict', 'continue' and similar expressions. Such statements are made on the basis of assumptions and expectations which, although the Company believes them to be reasonable at this time, may prove to be erroneous.

These forward-looking statements are subject to risks, uncertainties, assumptions and other factors that could cause the Company's actual results of operations, financial condition, liquidity, performance, prospects or opportunities, as well as those of the markets it serves or intends to serve, to differ materially from those expressed in, or suggested by, these forward-looking statements. Important factors that could cause those differences include, but are not limited to: changing business or other market conditions, legislative, fiscal and regulatory developments, general economic conditions, and the Company's ability to respond to trends in the financial services industry. Additional factors could cause actual results, performance or achievements to differ materially. The Company expressly disclaims any obligation or undertaking to release any update of, or revisions to, any forward-looking statements in this press release and any change in the Company's expectations or any change in events, conditions or circumstances on which these forward-looking statements are based, except as required by applicable law or regulation.
